NO: 97, October 8, 3 p.m.

SENT DEPARTMENT 97; REPEATED INFORMATION BENGHAZI UNNUMBERED.

Re numbered item 1 Benghazi telegram 80 Legation and USAOM/L not clear position to be taken with Libyans in discussing use of $3 million in economic aid from FOA appropriations promised Libyans by exchange of notes September 9. We would appreciate specific information whether 3 million is to be administered by USAOM/L through their controller and program officers on projects recommended by them and approved by FOA/W or whether that sum is to be added to 4 million available from Air Force funds making general fund of 7 million available direct to Libyans for expenditure under general direction joint Libyan-American economic commission.

Summers and Easton would appreciate advice soonest.
